

Say

Hello

to My Health Navigator

A no-cost service included in your benefit plan.

We've got you covered!

Our team offers personalized guidance that helps you save money on healthcare costs, proactively manage your health, and navigate a complicated healthcare system.

Anyone who uses:

- Prescription medications
- Vitamins, herbal or dietary supplements
- Over-the-counter (OTC) medications
- Multiple medications
- Medications from more than one pharmacy
- Medications requiring close monitoring

Anyone who has:

- Cost concerns
- Questions about or issues with medication
- Unexpected health issues
- Trouble remembering to take medication
- Prescriptions from multiple providers
- Been hospitalized

*"I truly believe the **advice and help with low cost co-pays** have helped improve my daughter's Asthma care and eczema. Thank You!"*

- State of Montana Employee
